

FAVORITE CABINETS INSERTS FOR KITCHENS

1. The Pot Lid Drawer

A shallow drawer that perfectly accommodates pot lids while leaving plentiful storage below for items like baking dishes and frying pans.

2. The Pull-Out

Great storage for oils, vinegars, and extra-large spice bottles.

3. The Spice Rack

A full-extension drawer with tiered rack keeps spices visible and easy to find.

4. Vertical Partitions

Perfect storage for cookie sheets, baking trays, muffin tins and even shallow platters.

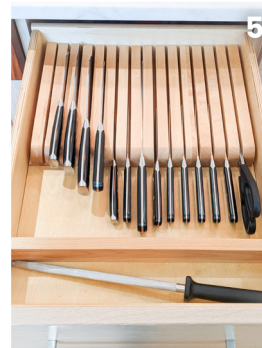

5. Knife Drawer

Knife storage within a drawer eliminates the need for a knife block.

6. Drawer Partitions

Creating sections within a drawer allows various utensils to have a designated home so they're easy to find and access.

7. Trash & Recycling Pull-Out

A super convenient pull-out that eliminates the need for bulky trash cans and recycling bins sitting on the kitchen floor.
